HAPPY THANKSGIVING!

BrownDog Hosts Fall '09 Doodle Romp

BrownDog Lodge hosted the Fall '09 Doodle Romp benefiting Doodle Rescue Collective. Thanks to the hard work of our customer and doodle romp organizer, Tammy White, for putting together such a great event. There

were over 50 attendees! The dogs romped around the backyard while their owners visited and traded stories. Everyone received a party favor and some received door prizes provided by local businesses including BrownDog Lodge.

Pet photographer, Howard Bernstein of Bark-In-Park Pet Photos, captured the day through the lens of his camera. You can view the photo link on our BDL Facebook fan page

1st Annual Halloween Costume Contest

Thanks to all who attended our first annual Howl-O-Ween costume contest. We had a great turnout and enjoyed all of the creative costumes. Congratulations to our winners who received BrownDog Lodge gift certificates. Everyone received a treat bag too. Checkout the pictures on our BDL Facebook fan page. Hope you'll trick-or-treat with us next year! 🐾

Employee Spotlight: Sam Wheeler

Thank you Sam for your dedication to BrownDog Lodge! Sam recently celebrated 2yrs with the company. She has been with us since before we opened and has been instrumental in our growth of happy custom-

ers. Sam has contributed great ideas, enthusiasm, loving care to our dogs and a smiling face to our customers. "I enjoy working with the dogs everyday; they are always so happy playing with their friends in daycare. It's great to enjoy your job everyday and do what you like, which for me is taking care of the dogs," says Sam. Personally, Sam enjoys spending time with her daughter, Caroline, dog, Sally, and lots of family and friends. She's also a student at the University of Memphis and a volunteer for various local civic organizations. Say hello to Sam during your next visit! 🐾

Meet a Friend at BrownDog Lodge!

You may have seen Gracie already. She's a regular at the dog park, BrownDog Lodge and on doodlekisses.com! Gracie is a 1 1/2yr

old miniature golden doodle. Her owner, Tammy White, got her from a breeder in Texas as a young puppy in 2008. While at BrownDog Lodge, she loves to play in the water whether it's a pool, water bowl or mud puddle. She's great at getting her coat dirty with all the fun play thus making her grooming very rewarding for both her and Tammy. "She's the love of my life, a real handful, smart, energetic and too cute for words!" says Tammy. We enjoy having Gracie at BrownDog Lodge and thank Tammy for all her support and allowing us to host the Fall '09 Doodle Romp! 🐾

HELP US RECYCLE!

BrownDog Lodge actually prefers green over brown! Our staff recycles paper, plastics and metals consumed through daily business operations. We use cloth towels and mops which can be cleaned rather than thrown away. We use environmentally friendly cleaners as much as possible and buy recycled goods if available. You can help us too! Please bring us your used plastic grocery bags and bath towels before you throw them away. We use them frequently throughout the day for cleanup and drying dogs. Thank you for helping reduce waste!
